MP: Extra Credit

We will give **partial credit** and **maximize the value** of your extra credit:

You made a submission and missed a few edge cases in Part 1:
    Monday: +7 * 80% = **+5.6** earned

You fixed your code and got a perfect score on Part 1:
    Tuesday: +6 * 100% = **+6** earned *(maximum benefit)*

You began working on Part 2, but added a compile error:
    Wednesday: +5 * 0% = +0 earned *(okay to score lower later)*

…
